

THE SCREAMING EAGLES HIGHWAY

Where is the screaming Eagles Hwy?

Through the efforts of the 101st Airborne Division Association, Southern California Chapter and representative Tony Strickland. **The California assembly and Senate, enacted BILL NUMBER: ACR 54. Dedicating the 101 highway that runs through Ventura County to honor the 101st Airborne Division and changing the name to the "SCREAMING EAGLES HWY."** The Ventura County Line starts in Thousand Oaks going north and Starts some three miles past Carpinteria coming south.

Quote: "LEGISLATIVE COUNCIL'S DIGEST."

"ACR 54, Strickland. Screaming Eagles Highway: 101st Airborne Division.

This measure would designate the section of State Highway Route 101 in the County of Ventura as the Screaming Eagles Highway.

The measure would also request the department of transportation to determine the costs of appropriate plaques and markers showing this designation and, upon receiving donations from nonstate sources covering that cost, to erect appropriate Plaques and Markers..."

We, the 101st Airborne Division Association, Southern California Chapter, have named this task Phase 1, and started to collect donations, and are running fund raisers in an effort to cover such costs. At the present time, Phase 1 is 90% funded. The enclosed Ribbon Magnets are being distributed for a \$5.00 donation each to help us fund the additional 10%. And to let people know where The Screaming Eagles Hwy is located. The enclosed Ribbon Magnets are yours free for being a donor. Please help us by selling Ribbon Magnets to your family, friends, co-workers, and throughout your neighborhood. Add \$.75 each for shipping and handling. Make checks payable to 101st SEH and mail to Manny (see back for address.)

We would like to have them displayed on every car on the road.

Phase 2, Phase 3, Phase 4, will cover the Los Angeles, Orange, and San Diego Counties for this project

The 101st Airborne Division first fought in Europe in WWII, Jumping in Normandy, Holland and known for the Battle of the Bulge in Bastogne Belgium. They have fought in North Africa, Viet Nam, Desert Storm, Grenada, Panama, Somalia, Bosnia, Kosovo Afghanistan and Iraq. They are normally the first troop in battle and are well known for their courage in helping keep this Nation free.

The 101 State highway starts at the border of Mexico and the United States going through California, Oregon, and ending in the State of Washington. It is our goal that all of the 101 State Highway, some day will be known as "the Screaming Eagles Highway."
